## Smiley HQ

No 7 Investment  
House, 28,  
Queens Road,  
Weybridge, Surrey  
KT13 9UT

(Opposite RED Restaurant & Tesco Local). If you are dropping your child off, the entrance to the car park is off Princes Road (opposite Car Phone Warehouse).

## Parking

There is parking along the Queen's Road or in the [York Road Car Park](#)

You cannot park on site in the car park without a permit. There are clampers on site.

## Please be on time for your appointment

There is no reception. I will be down to meet you at the front door when your session starts. Please do not call me as I may be in session with another client. Parents do not join the session. There are some lovely coffee shops and cafes where you can have some well-deserved time to yourself.

**If you are late by 15 minutes or more** this is considered a no show and you will forfeit a session from your package.

**When your child's session is finished** your child will come down to the front door where you can collect them. I will stay in my room to write up my notes and prepare for my next client.
